

tishatsu

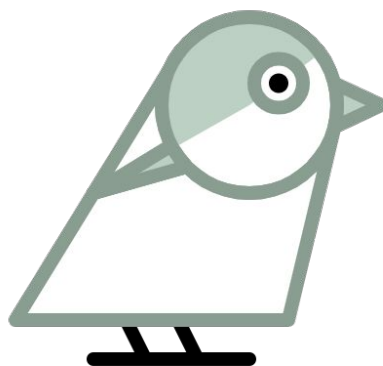

Tishatsu is a collection of cool new age T-shirts on blockchain, be on the lookout for recently minted tishatsu T-Shirts.

Our Vision

In the crypto world, becoming a fashion label

We wish to give anyone the ability to construct their own unique digital identity. People will also be able to choose their own wearables in their preferred Metaverse.

Next Steps

- - Create a 3D asset that owners may download and tinker with.
- - Use these 3D assets as wearables in metaverses like cryptovoxels and decetraland.
- - Provide funding to fashion designers in order for them to build one-of-a-kind designer wearables.
